

INTEGRATED MAP FOR CORPORATE & DIRECTOR DEVELOPMENT

The Testimonial

- **Even though the board had worked together for 5 years – it was surprising how much they did not know about each other**
- **Compass programme ensures ownership – the solution is the customer's definition of success**
- **The individual gets something out of the programme, all based on the trust that is generated by the Compass programme**
- **Core Process technique is the real power base**
- **Creates a controlled and safe environment for the team to develop**

The Testimonial

- **Unique approach using strategic projects to develop directors and senior managers**
- **The team matures rapidly through this programme, and is ready to take on bigger challenges**
- **Provides focus – stops the board being ‘side-tracked’**
- **Provides connection to the Chairman and the staff**
- **Ideal for the development of statutory directors, incorporating best practice in corporate governance**
